First of all, thank you sir for the guidance and time you have given me till now and I'm sure this will continue even in the future. When it comes to the study material you provided, the time, efforts and stress which would be required to cover history of English literature was reduced from 1/1.5 months to hardly 3/4 days. In short no the study materials are amazing. And finally, I consider it a blessing that I accidentally stumbled upon your YouTube channel. 11:22 AM

OUR COURSE FEATURES -

Let's take a look at our indispensable course content in our online classes :

As we know, the vast syllabus of UGC NET includes over 800 writers and 2000+ texts, it becomes a demanding task to look everything in a single book or look for Internet options to read every text and its inference. It becomes a strenuous job to provide an end-to-end preparation model for this exam.

OSN Academy since 22 years has maintained its legacy of teaching every literature in the detailed manner be it American, African, Canadian, Indian or European. It is a celebrated online platform which was launched to cover the exhaustive syllabus of UGC NET English in a precise manner through series of 100+video lectures. Our online class is designed in a manner that every student who wishes to understand literature in its most comprehensible manner wishes to opt for this course.

Our video lectures are prepared with a vision to serve the exemplary information to our students covering every unit in all the subjects as we envision to prepare students to qualify their examination in the very first attempt. Video lectures are not only embedded with good resolution but with enriched content also which students can watch and understand with great clarification.

Remedial Sessions

Building time into time for self-reflection is equally important as practice and preparation. We conduct remedial classes with special focus on self-reflection. To avoid repetitive errors and clarification of any difficult concept for our students who prepare rigorously and find doubts, our instructors are always a step ahead to help them and provide them remedies to overcome their areas where they lack

Premium Quality Study Material

The importance of study material of instructional material is to improve students' knowledge and abilities and skills to broaden their thinking level. We believe that good quality study material not only enriches one's ability to learn everything but to achieve success also.

As NET Exam is divided into two papers: Paper 1 (General Paper/Teaching and Research Aptitude), and Paper II (Subject related papers), we provide study material for both the papers so that students can prepare themselves thoroughly and get acquainted with every question during their exams. Study material serves as a fundamental source for those who appear for the first time and those who appear for second time too.
